

2010 Chemistry Concentrators and Their Destinations as of May 2010

<p> φ^H Rebecca Mikulas Allred Alena Arkhipov Austin Nizar Baraki Benjamin Phelps Boyd </p>	<p>graduate studies in chemistry, Yale U. <i>(interdisciplinary/chem)</i> graduate studies, EVMS (physician's assistant) studies in medicine, Eastern Virginia Medical School high school science teacher, Williamsburg, VA</p>
<p> ^H Douglas William Challener Stephen Wen-Yan Chi Christopher James Collins Corey Lynn Compton </p>	<p>studies in medicine, Medical College of Wisconsin <i>(bio/chem)</i> not reported graduate studies in organic chemistry, Purdue U. graduate studies in biochemistry, Brown U.</p>
<p> φ^H Christina Marie Davis Ilya Arkadiyovich Dubovoy Renata Kathleen Everett John Patrick Giddens Travis Jeremy Grubbs </p>	<p>graduate studies in chemistry, U. Texas at Austin working and applying to medical school graduate studies in chemistry, U. Michigan-Ann Arbor <i>(bio/chem)</i> graduate studies in biochemistry, U. MD, Baltimore high school science teacher, Warren County, VA, Public Schools</p>
<p> ^H Tara Dawn Hagedorn ^M Jillian Lynn Hamilton </p>	<p>masters program in chemistry, W&M graduate studies in nutrition, UNC Chapel Hill School of Public Health</p>
<p> φ^M Andrew Solberg Hampton John-Andrew Samuel Hocker Michael Todd Hovey Roger Chi-Paul Hsu James Stuart Jones Kelly Clara Lane </p>	<p>graduate studies in chemistry, UNC-Chapel Hill undecided masters program in chemistry, W&M <i>(chem/bio)</i> apply to medical school graduate studies in chemistry, Texas A&M U. undecided</p>
<p> Christina Lynne Langlois Natasha Alisa Marple John Joseph McCarthy Michelle Leigh Mendelsohn Hong An Ashley Nguyen </p>	<p>graduate studies in environmental science & technology, U. MD (Jan '10) <i>(classical studies/chem)</i> not reported travel <i>(chem/interdisciplinary)</i> masters program in education, W&M undecided</p>
<p> ^H Kathryn Anne Peth Lindsey Parker Pflugner Mary Katherine Pircon Margaret Louise Schmierer Amy Marie Sirkis Quinton Michael Smith </p>	<p>masters program in chemistry, W&M graduate studies in health sciences, Drexel U. undecided graduate studies in chemistry and biochemistry, Arizona State U. graduate studies in chemistry, UCLA</p>
<p> ^{M^H} Tyler Scott Stukenbroeker Brandon Leland Thompson James David Thompson Jasmine Renee Tutt </p>	<p>employment, then masters program in chemical engineering <i>(chem/econ)</i> graduate studies in chemistry, Stanford U. graduate studies in chemistry, Furman U. (Jan '10) medical school, Drexel College of Medicine not reported</p>
<p> ^M Katherine Van Haasteren Jan-Pieter Verheul ^H Thomas John Wallin φ^{M^H} Anna Jean Wirth Colin Conroy Wollack Matthew Phillip Yeager Jonathan Jong-Sung Yu Robert Evans Ziegler </p>	<p>seeking gainful employment (Jan '10) <i>(chem/Russian studies)</i> not reported <i>(physics/chem)</i> not reported graduate studies in biological chemistry, U. Illinois, Urbana-Champaign undecided <i>(chem/math)</i> graduate studies in chemical engineering, U. New Hampshire not reported graduate studies in organic chemistry, Boston U.</p>
