

2011 Chemistry Concentrators and Their Destinations as of May 2011

Elizabeth Pylant Bransford Allen	study abroad in Tanzania
Stephen Eric Ammann	graduate studies in chemistry, U. Illinois, Urbana-Champaign
Elizabeth Lynn Bower	pharmacy school, VCU
Steven Justin Bradley	undecided
Stephanie Ann Brooks	medical school, U. of Vermont
Kirkland Leland Castellano	work as research assistant, NY Medical College, Pharmacology Dept.
Joseph Dale Christesen	graduate studies in chemistry, U. North Carolina-Chapel Hill
Marisa Clare Cirenza	internship with Charlottesville Catholic Fellows Program
Hillary Meghan Clark	graduate studies in chemical biology, Johns Hopkins U.
Matthew David Dembo	graduate studies in chemistry, U. of Tennessee
Ashley Marie Hoover	graduate studies in chemistry, U. California-Berkeley
Mark Anjalan Jayanathan	medical school, UVA
Robert Frederick Lambert	graduate studies in chemistry, U. of Texas at Austin
Kyrstin Lynnice Lane	medical school, UVA
Stephen William Laws	graduate studies in chemistry, W&M
Clare Lee Matilda LeGuyader	graduate studies in chemistry and biochemistry, U.C. San Diego
Nicole Dina Leger	medical school, Trinity Medical School
Frederick Weston Loehr	medical school, EVMS
Nicholas Adam Lopez	intern at Christian Life Center
Jacob Joseph Machin	work for a year, then attend medical school
Michelle Marie McKently	work in LA for a year, then attend graduate school
Mathew McMillan	seek gainful employment
Melissa Ann Montagna	work as environmental consultant for ENVIRON International Corp.
Rebecca Anne Obniski	graduate studies in biology: cell, molecular, developmental, biochemistry, Johns Hopkins U.
Kyle Robert Overdeep	graduate studies in material science and engineering, Johns Hopkins U.
Jacob Pike Perkinson	instructor for National Outdoor Leadership School, then attend medical school
John Calvin Petrie	undecided
John Matthew Pothén	community health research on Fulbright Grant in India; earn Ph.D. in Sociology
Geoffrey Curtis Ramsdell	medical school, EVMS
Courtney Arielle Roberts	graduate studies in organic chemistry, U. California, Los Angeles
Joy Crystal Russell	graduate studies in chemistry, W&M
Clinton Cleveland Schiavone	graduate studies in chemistry, W&M
Ellen Hutchins Speers	graduate studies in chemistry, Northwestern U.
Kathryn Rachel Stephenson	studies in pre-nursing, George Mason U.
Tao Sun	seek gainful employment
Elizabeth McLean Terrell	volunteer teacher for WorldTeach organization
Isabelle Jacqueline Thibau	undecided
Andrew An Quoc Tran	not reported
Lenna Elizabeth Walker	not reported
Pei Wang	travel
Elizabeth Alexandra Welshhans	studies in physical therapy, St. Louis U.
Vincent James Yannello	graduate studies in computational operations research, W&M
