

Monroe Scholars

Since 1982, the College has singled out “the best of the best” among entering students to participate in a multi-faceted honors program. These students, who comprise about 5 to 10 percent of each entering class, are recognized as James Monroe Scholars. Beginning in 1990, each Monroe Scholar has been guaranteed a summer scholarship of \$2,000 to support an independent project to be undertaken after either the sophomore or junior year.
