

PERMISSION FOR CHEM 190 FRESHMAN RESEARCH

PLEASE BE AWARE THAT CREDITS OBTAINED FROM CHEM 190 CANNOT BE USED TOWARDS THE 120 CREDIT MINIMUM REQUIRED FOR GRADUATION.

You must be a Freshman (social class) when you start this research course. Chem 195, Research Practices in Chemistry, is a pre- or corequisite.

Students wishing to enroll in CHEM 190 must first obtain permission from their Research Advisor. The form below is for that purpose. Please complete, ask your CHEM 190 advisor to sign at the bottom and submit it to the Department Office (ISC 1039). The department will provide a course permit-override for you during Add/Drop.

CHEM 190 CRN # _____ (1 credit) (Spring Semester)

Date:		Spring- Year:		College Id:	930
First Name:				Middle Initial:	
Last Name:					
Student email:	<i>@email.wm.edu</i>				
Chem 195	In what semester/year did you or are you taking Chem 195:				

Please provide a course permit-override in the Banner System for me in the above course.

I take full responsibility for completing the registration process by the Add/Drop deadline or dropping this course if I decide it does not fit into my schedule.
