

## PERMISSION FOR CHEM 290 SOPHOMORE RESEARCH

*PLEASE BE AWARE THAT CREDITS OBTAINED FROM CHEM 290 CANNOT BE USED TOWARDS THE 120 CREDIT MINIMUM REQUIRED FOR GRADUATION.*

You must be a Sophomore (social class) when you start this research course. Chem 195, Research Practices in Chemistry, is a pre- or corequisite.

Students wishing to enroll in CHEM 290 must first obtain permission from their Research Advisor. Please complete this form, ask your CHEM 290 advisor to sign at the bottom and submit it to the Department Office (ISC 1039). The department will provide a course permit-override for you during Add/Drop.

**CHEM 290 CRN # \_\_\_\_\_ (1 credit)**

Date:		Semester /Year:		College Id:	930
First Name:				Middle Initial:	
Last Name:					
Student email:	<i>@email.wm.edu</i>				
Semester and Year you have taken or are taking Chem 195.				Semester /Year:	

Please provide a course permit-override in the Banner System for me in the above course.

**I take full responsibility for completing the registration process by the Add/Drop deadline** or dropping this course if I decide it does not fit into my schedule.
