**** Recommended time line for submitting preliminary materials to your assigned CHEM 320 advisor for feedback.** This timeline help spread the work load of the faculty advisor so that papers can be returned in a timely manner. Your advisor has the right to change deadlines before March 16 in any way he/she desires. Preliminary materials are only submitted to your assigned advisor for review.

Final papers are due March 16, 2018 at 3:00 pm. Papers must be submitted to SafeAssign (text only) and to your assigned advisor for grade assignment. To satisfy the Chemistry writing requirement associated with CHEM 320, papers are required to be 2000 words, not including references or figure captions.

Other Reminders:

Lunch with Speakers: CHEM 320 students are welcome to eat lunch with the visiting speakers in the second floor lobby of the ISC, usually from noon to 1 pm

Cookies and coffee: Available before seminars with visiting speakers

ATTENDANCE IS MANDATORY for all of the Chem 320 dates indicated above. Sign in sheets (white) will be available in ISC 1127 for all seminars (ISC 1221 on April 6). Please make sure that you sign in for all meetings! Only one unexcused penalty-free absence from the department seminars/research symposia is allowed per semester. Additional absences are only allowed for academic or other school related activities and must be approved in advance. Excused absences for other documentable events are made at the discretion of the instructor.
