

# 2012-2013 Annual Report

## The Committee on Academic Status

Jamie Bartlett, Chair

The Table of Actions & Decisions describes 815 petitions considered in 2012-2013 by the Committee, the Medical Review Committee and the Dean of Students on behalf of the Committee. The Academic Standing table shows the number of students dealt with during Continuance.

Over a three year period, numbers have remained relatively stable. There was an increase in petitions for Late Adds, from 177 to 205, and Late Withdrawals, from 25 to 44. Notable data are a continued decrease from 30 to 15 retroactive medical withdrawals, and an increased number of students on probation yet a constant number of students actively registered on probation.
