

2013-2014 Annual Report
The Committee on Academic Status
Brent Owens, Chair

The Table of Actions & Decisions describes 781 petitions considered in 2013-2014 by the Committee, the Medical Review Committee and the Dean of Students on behalf of the Committee. The Academic Standing table shows the number of students dealt with during Continuance.

Over a three year period, numbers have remained relatively stable. There was a decrease in petitions for Late Adds, from 205 to 173, which brings this past year's numbers more in line with recent years. Late Withdrawals increased slightly from 44 to 46. Notable data are a continued decrease in retroactive medical withdrawals from 30 to 15 in 2012-13 and a further decrease to 8 this past year. The numbers of students on probation and continued probation currently are 79 students on the first semester of probation, 44 students on the second semester of probation.
