

THE COLLEGE OF WILLIAM AND MARY
INTERDEPARTMENTAL COMMUNICATION

TO: Gene Tracy, Chair, Educational Policy Committee
FROM: Chris Jackson, Chair, Department of Kinesiology
DATE: November 17, 1994
SUBJECT: RENUMBERING

Kinesiology would like to renumber several activity classes and, in the interest of saving paper and of clarity, I would like to make these requests in this memo instead of on the form. Activity classes are just listed in a group with no course description so these are just number changes. They have been cleared with the Registrar. The courses below have all been previously listed under KIN 196:

Judo to KIN 105
Taichi to KIN 106
Sailing to KIN 107
Squash to KIN 108
Volleyball II to KIN 113
Adventure Games II to KIN 131

Also, please change:

KIN 146 from gymnastics to Artistic Gymnastics I
KIN 123 from Mermettes I to Synchronized Swim I
KIN 124 from Mermettes II to Synchronized Swim II
KIN 149 from Jogging for Fitness to Artistic Gymnastics II

Our final request is to change KIN 250W Freshman Seminar to KIN 150W. We will change the wording of the activity requirement to exclude 150 from the list of courses which can fill the activity requirement.
