CHEM--Joint B.S./M.S. Program (approved after wording revision)

Following to be inserted immediately preceding Description of Courses in the Chemistry section of the catalog:

Joint B.S./M.S. Program

The Department of Chemistry offers an accelerated program leading to the B.S. and M.S. degree for qualified students. Students in the graduate portion are typically supported with a tuition scholarship and stipend. Chemistry concentrators may apply for formal admission to the joint program in the second semester of their sophomore year.

Meeting was adjourned at 5:30pm. The next meeting is on Wednesday, April 23, 2003.
