7. INTR 499, Washington Semester Internship: the committee clarified that this course need not be P/F in every instance.

8. Proposal to change GER 4 course distribution. Given the small number of 4B courses, the Dean for Undergraduate Studies proposed changing the distribution of GER4A, B, and C. The net effect of the change would be to no longer require a GER4B course. The committee rejected the proposal under the rationale that such a change is best discussed in the context of the upcoming review of the curriculum.
9. The meeting was adjourned at 9:45am.
