

EPC Meeting Minutes, 4/12/19, York Room, Sadler Center

In attendance: Elizabeth Harbron (chair), Mike Deschenes, Tom Linneman, Tuska Benes, Jackie Keshner, Katie Brownfiel, Jonathan Glasser (secretary), Elizabeth Mead, Denise Ridley-Johnston, Brian Kreydatus

Meeting began at 2:03 pm—Elizabeth announced that the Law School item is being saved for next week, the same week that we will be discussing Military Science further

1. The minutes from 4/5/19 were approved

2. Proposals – consent calendar

BIOL 460 – Human Evolution and Race

COLL 400

Linguistics – Linguistics

curriculum change application

Modern Language and Literatures – Italian Studies

curriculum change application

The consent calendar was approved

3. Proposals – for discussion

CHIN 303 – Topics in Chinese Language, Civilization, or Lit.

COLL 200 (ALV>CSI)

We will ask them to address CSI more explicitly in the syllabus

CHIN 428 – Adv. Seminar in Chinese Language, Culture, or Lit.

COLL 400

We will ask them address the issue of disparate audiences not being brought up in the syllabus, and the question of monitoring whether this is being enforced in the program

MUSC 368 – Topics in Ethnomusicology (MUSC 367)

new course with domain application

The delinking question needs clarification. All the 300 courses are 4 credits, and we need to find out the backstory from Music on this delinking. This was approved, but Elizabeth Harbron will follow up on the backstory.

Added HIST 100 – Food, Farming, and Power in Modern U.S.

COLL 100

Approved the proposal

Added Africana Studies – Africana Studies
application

curriculum change

This is a streamlined version that gets rid of the older track system. The language requirements could be clarified. Elizabeth Harbron will get a revised document, and we voted to approve the proposal pending those revisions. (Elizabeth approved on 4/15/19).

Elizabeth Harbron noted that we will be receiving a request for an interdisciplinary minor in Public Health next week. Kinesiology and Health Sciences will also be putting in some major changes.

4. New Business

- ongoing issues
 - COLL 300 for veterans – (almost) done!
 - The discussion is ongoing; the transcript from the Department of Defense changes the groundwork for this issue, which takes it off the EPC docket
 -
 - COLL 200 Curriculog form
 -
 - crosslisting policy
 -
 - Military Science presentation on 4/19
- any new business?

There was no new business, except for a brief discussion of how late EPC will be meeting (whether in person or from a distance)

Meeting adjourned at 2:22
