The Consent Calendar was approved:

CONS 290 - Introduction to Conservation Research

RELG 344 - Religion and Sports in the U.S.

Health Sciences - Human Health

New Course

Course Change

Curriculum Change

Other Proposals

LAS 201 - Intermediate Portuguese and Brazilian Culture
Approved.

New Course

LAS 202 - Intermediate Portuguese and Brazilian Culture
Approved.

New Course

There was discussion about the new Portuguese language sequence. EPC approval was for creation of the courses, not for attachment of the Foreign Language Proficiency requirement.

There was confusion regarding whether LAS 202 would be offered Spring 2021. If so, which students will have had the prerequisites?

EPC will return to the question of the Foreign Language Proficiency at a later date.
