Update on COLL 300 review

In the Spring, EPC will review and propose a revision to the COLL 300 requirement, with input from data acquired by the CLA and several forums to take place in the Spring. A COLL 300 review working group was formed with membership from the Educational Policy Committee, the International Studies Advisory Committee, and the Center for the Liberal Arts, including representation from Areas I, II and III. Josh thanked Kristin Wustholz for agreeing to serve on the working group.
