*Visiting:* Ben Boone, Victoria Costa, Christine Nemacheck (COLL 300 subcommittee members)

**Minutes from February 25, 2021 were approved by unanimous consent.**

### **Consent Calendar**

|                                                        |                   |
|--------------------------------------------------------|-------------------|
| ANTH - 346 - Middle Egyptian Texts: Fiction and Poetry | COLL 200          |
| ENGL - 150 - Fantastic Modernism                       | COLL 150          |
| CONS - 210 - Introduction to Conservation GIS          | New Course        |
| Interdisciplinary Studies - Integrative Conservation   | Curriculum Change |

**The consent calendar was approved.**

### **Other Proposals**

|                                                        |          |
|--------------------------------------------------------|----------|
| CLCV - 216 - Middle Egyptian Texts: Fiction and Poetry | COLL 200 |
|--------------------------------------------------------|----------|

It was unclear at first what the proposal was asking for, but Jonathan Glasser clarified that the proposal is for a cross-listing with a new course number. Approved pending further clarification with the Registrar's Office.

|                                                         |          |
|---------------------------------------------------------|----------|
| KINE - 485 - Cellular Basis of Neuromuscular Physiology | COLL 400 |
|---------------------------------------------------------|----------|

A revised application will be submitted.

### **3. COLL 300 curriculog form revision**

The COLL 300 curriculog form was discussed and amended following discussion with the COLL 300 subcommittee, and a final version was approved.

During discussion it was suggested that a COLL 300 subcommittee be created to review proposals. No decision was made, but the topic will be revisited at a subsequent meeting.
