Other Items

APIA-350 approved pending asking CLA for OK on recorded visitor. EPC will continue discussion on requesting COLL 300 goals be added to the syllabus.

CHIN-405,406: questions about if these are effectively the same course but with different material. 405 approved. Chair will check with submitter on if 406 can be repeatable.

GIS-425: syllabus needed

INTR-390: COLL-300 subcommittee affirmed that there should be no distinction of COLL-300 requirements for DC and non-DC courses. Chair discussed with D. Trichler about means to turn this into an acceptable COLL 300. D. Trichler will work toward this goal with CLA.

PHIL-205: Submitter will be asked to work with CLA to see if this can be molded into a COLL-300.

Discussion of the instructions for developing and submitting a COLL-350 application. Modifications were made and the document was approved.

Chair informed EPC that the students interested in data literacy will come back for discussions last week.

Sallie Marchello requested volunteers for a P/F taskforce being set up by the provost.
