

The College of William and Mary
Educational Policy Committee

Yearly Report for 2006-2007

Committee Members: Ray McCoy (Chair), John Eisele, Diane Shakes, Bruce Campbell, Kim Wheatley, Evgenia Smirni, Anne Reilly, Brad Weiss, Steve Holliday, Gail Bossenga, J.C. Poutsma, Ryan Ford, Joe Kane, Casaundra Maimone, Tom Ward, Chris Adkins, Sallie Marchello, Cory Butler, Susan Peterson, Carl Strikwerda, Liz Canuel, John Charles, Pat Van Zandt.

The committee met 12 times during the fall and spring semesters to discuss undergraduate curricular changes.

Approved motions include:

- a. Summer school maximum credits per session was changed from 7 to 8 to allow for 2 4-credit courses per session.
- b. University Seminar courses (275W) for transfer students will carry the GER status of the equivalent freshman seminar courses (150W).
- c. New Undergraduate Majors in:
 1. Global Studies
 2. Chinese Language and Culture (under MDLL)
- d. New Undergraduate Minors in:
 1. Global Studies
 2. Judaic Studies (pending approval by CHIS)
- e. Study abroad registration change.

Study Abroad: All students who plan to study abroad must register with the Reves Center for International Studies. Pre-approval of transfer credits by an appropriate department chair, program director, or designee is required for all study abroad programs except the William and Mary faculty-led or faculty-assisted programs. Approved study abroad transfer credits count towards the graduation requirement of 120 academic hours. While abroad, students must enroll in at least 12 credits per semester in order to be considered full-time. A maximum of 18 credit hours per semester may be earned. Credits will be transferred only if a student has earned a grade of C or better (C- is unacceptable). Earned credits may count towards a major, minor, or any elective. Students cannot satisfy GER requirements abroad except on William and Mary faculty-led summer programs where the course in question is designated as a GER course in the course catalog. Also, students may petition the Committee on Degrees upon their return to have courses taken abroad considered for the fulfillment of GER 4 or 5. To be approved, the course must meet the criteria of the GER and must deal substantially with the country or region where the student is on the study abroad program. Grades are not posted on the William & Mary transcript nor calculated into a student's GPA unless the courses were taken on a William & Mary faculty-led or faculty-assisted program.

- f. Final reports of the GER5, GER7, and Freshman Seminar course assessments were received from the assessment working groups coordinated by Drs. Susan Bosworth and David Aday.
