

Summary Notes from Faculty Affairs Committee meeting, 5/7/13

1. The Dean and the FAC discussed the authorization of faculty replacement position requests.
2. The FAC inquired about the availability of funds to support the new curriculum once completed. Several possible sources currently being considered were discussed, but the funding needed will be dependent on the outcome of the curriculum discussion - hence, funding levels have yet to be specified.
3. The FAC discussed creation of a working group to consider how to quantify faculty teaching that occurs beyond the traditional classroom.
4. The FAC provided recommendations for membership on the new Ad Hoc Committee on Prizes, Professorships and Awards for 2013-2014.
