

FAC COMMITTEE MEETING NOTES, December 10, 2013

1. Minutes of December 3 FAC meeting were presented.
2. Discussed the Committee on Faculty Teaching and the Promise (CFTAP) policy proposal responding to Resolution 25.8 of the "The William and Mary Promise". Provost Halleran and the CFTAP attended. CFTAP will continue to modify the policy proposal based on suggestions raised during and following the 12/2/13 FAS meeting. A revised version of the policy proposal will be presented for discussion at the first FAS meeting in the 2014 spring semester. An email will be sent to all FAS faculty explaining the process for finalizing the CFTAP proposal and soliciting further input from faculty.
3. Considered faculty concerns about the timing of the vote on the proposed new curriculum, which is expected to occur on Thursday 12/12/13. Concerns included the inability of some faculty to attend the vote and the possible need for additional time to review the final curriculum proposal. FAC decided not to postpone the vote given the difficulty of finding a time suitable for all faculty members, but recognizes that an A&S Faculty member could move to postpone the vote should they wish to do so.
