

Notes from FAC meeting of April 14, 2015

In attendance: Dean Kate Conley, Greg Hancock (chair of FAC), Mike Deschenes, Cathy Forestell, and Barbette Spaeth

- Notes from previous meeting were approved.
- Mike Deschenes was selected as note taker for this meeting.
- A conversation regarding the new draft document addressing the promotion of lecturer to rank of senior lecturer took place.
- With the Chair of Faculty Research Committee (Ale Lukaszew) present, a discussion concerning issue of concurrent grant funding, or paid summer teaching, with faculty summer research grants occurred.
- A working draft of a survey to be used to collect information from faculty regarding their background on committee service and their preference(s) was addressed.
- A discussion with guest David Trott of Information Technology took place regarding the feasibility of a database stored on BANNER which would contain all relevant information of all committees and their specific features (e.g. membership, home department) was engaged. Mr. Trott also conducted a mock demonstration to show how this might be accomplished.
