

Minutes for Faculty Affairs Committee, January 21, 2020

---

Present: David Armstrong (Chair, scribe), Josh Burk, Kate Conley (Dean), Sarah Day, Elizabeth Radcliffe

Regrets: Martin Gallivan, Bill Hutton

1. The agenda for the next A&S Faculty meeting (Tues. Feb 4th) was discussed. The request from the President's office to the Dean to show the short videos presenting the new Vision, Mission and Values statements at the next A&S meeting was considered. The FAC decided that this was not appropriate for an A&S faculty meeting, and that, instead, an emailed invitation (with links) to the faculty to view the videos was preferred. It was suggested that we invite Mathhew Lambert to provide an update on the "For the Bold" campaign, and Henry Broaddus to provide an overview of the recent Marketing Survey at the next (or a subsequent) A&S meeting.
2. The next FAC meeting will be January 28, 2020; Kate will be out of town on a fundraising trip.
