

Arts and Sciences Election

To: Faculty of Arts and Sciences
From: Committee on Nominations and Elections
Date: February 23, 1995
Subject: Elections to Faculty Committees at the Faculty Meeting
on April 2.

The Chair of the Nominations Committee, noting that the first Tuesday in March falls this year during the Spring Break, assumed that the March faculty meeting would be canceled. He therefore missed the nominations deadline for the rescheduled March meeting, on March 14. He extends his apologies. Elections will now be held in April and May. Nominations are invited for the following to be elected at the meeting on April 2. You may nominate yourself or another. Please send written or e-mail nominations by March 15 to:
