

**FACULTY OF ARTS AND SCIENCES
AGENDA – NOVEMBER 7, 2000**

3:30 P.M.

MILLINGTON 150

The FAC unanimously recommends and the Dean of Faculty agrees that the November 7, 2000 meeting of the Faculty of Arts & Sciences be cancelled. There is a lack of business and there are no elections to committees. The two committees that are scheduled to report (Academic Status and Degrees) cannot do so effectively without the presence of the Dean of Undergraduate Studies.

Finally, November 7, 2000 is Election Day. We urge the faculty to go out and vote.
