Faculty of Arts & Sciences Special Meeting

Monday, December 9, 2013, 12-1:50 pm

Commonwealth Auditorium, Sadler Center

- I. Continued discussion of document on proposed new curriculum (Diane Shakes and John Gilmour). The focus will be on the Additional Requirements. We may also begin looking at the document as a whole and considering amendments that pertain to earlier parts of the document. There is a possibility that a motion will be introduced to end discussion on the document and move toward a vote on this day, although it is more likely that this will occur at the meeting on Thursday, December 12.

Documents are all available on the Curriculum Review Blackboard site:
