Distinguished Dissertation/Thesis Award Nomination Form

To nominate a student's doctoral dissertation or master's thesis for this award, please ensure the following are provided to the Office of Graduate Studies (OGS):

- This nomination form, signed by the Director of Graduate Studies of the respective graduate program;
- A nomination letter from the student's dissertation or thesis advisor, reflecting only work pertaining to the student's dissertation/thesis;
- A recommendation letter from another faculty member who can evaluate the significance of the dissertation/thesis. This letter should reflect only work pertaining to the student's dissertation/thesis.

Please submit materials to the OGS by email to dean-gsr@wm.edu no later than the deadline posted online. This deadline is firm. Once a student has been nominated, and their dissertation/thesis has been submitted to the ETD system, the OGS will access the dissertation or thesis and make it available along with the other nomination materials to the review committee.
