Distinguished Dissertation/Thesis Award Nomination Form

To nominate a student's doctoral dissertation or master's thesis for this award, please ensure the following are provided to the Office of Graduate Studies and Research:

- This nomination form, signed by the Director of Graduate Studies of the respective graduate program;
- A nomination letter from the student's dissertation or thesis advisor, reflecting only work pertaining to the student's dissertation or thesis;
- A recommendation letter from another faculty member who can evaluate the significance of the dissertation or thesis. This letter should reflect only work pertaining to the student's dissertation or thesis.

Please submit materials to the OGSR (Stetson House) by email to sgglos@wm.edu no later than the deadline posted online. This deadline is firm. Once a student has been nominated, and their dissertation or thesis has been submitted to the ETD system, the OGSR will access the dissertation or thesis and make it available along with the other nomination materials to the review committee.
