

WILLIAM & MARY Graduate Arts & Sciences

Graduate Faculty Mentoring Award Nomination Form

Exemplary graduate mentoring supports the advancement of students as scholars, teachers, and professionals, and requires significant time and skill. This award recognizes faculty adept within the broad spectrum of activities that makes up graduate mentoring. For more information, please read the award announcement found online.

Nomination Procedure

Please compile into a single .pdf file:

- This nomination form;
- At least two signed letters of support from A&S graduate students or recent graduate alumni (past 24 months) who have benefited from mentoring by the nominated faculty member;
- A letter from the nominated faculty member’s chair or program director in support of the nomination and containing specific examples of exemplary mentoring by the nominee. If the nominated faculty member is the chair or program director, then a letter should be supplied instead by the director of graduate studies.

The combined .pdf is due to the OGSF by email to sgglos@wm.edu by no later than the deadline posted online.

Name of Nominated Faculty Mentor: _____

Department/Program: _____

Nominating Students or Recent Alumni:

Note: If more than two students/recent alumni supply letters, please only list the two lead nominators here, but ensure other names are clearly supplied and signatures obtained on the letters themselves.
