Gender, Sexuality, & Women’s Studies Major

All students must complete at least **32 credit hours** distributed across five groups of courses as follows:

1. Three core courses. Take at least 9 credits including:
   - GSWS 205, “Introduction to Gender, Sexuality, and Women’s Studies” (3 credits)
   - GSWS 405, “Feminist Theory” (3 credits)
   - Choose from the following 3 or 4 credit courses: GSWS 495/496: Interdisciplinary Honors (3 credits each) or GSWS 490: Senior Seminar (3 or 4 credits)

2. Gender and International Issues (GIN): One course with a focus on gender and international issues (outside of US/Canada/Great Britain): GSWS 291/391/491 or a course with a GIN attribute (3 or 4 credits)

3. Sexualities and Transgender Studies (LGBT): One course with a focus on LGTQ issues: GSWS 292/392/492 or a course with LGBT attribute (3 or 4 credits)

5. Approved electives (3-5 classes)

Students must take courses grounded in three different departments and cross-listed with GSWS.

**PLEASE NOTE**

- All courses must be selected in consultation with a Gender, Sexuality, & Women’s Studies advisor. All courses taken outside Gender, Sexuality, & Women’s Studies and used to fulfill credits towards the major must be approved by the student's advisor and the Curriculum Committee.
- If you take a course that is cross-listed with Gender, Sexuality, & Women’s Studies but you register for it in the other department, you may count that course towards your Gender, Sexuality, & Women’s Studies major without getting approval from the Curriculum Committee.
- No more than ten credits of introductory courses (excluding GSWS 205) and six credits of Independent Study may count toward the major.
- Some courses will have multiple attributes (for instance, both GIN and LGBT), but you may NOT double-count a single course to fulfill multiple attribute requirements.
- Successful completion of GSWS 405 satisfies the **major writing requirement**.
• **The major computing requirement** is satisfied by successful completion of GSWS 495/496 Interdisciplinary Honors, GSWS 490 Senior Seminar, by successful completion of any of the Computer Science courses designed for this requirement, or by petitioning Gender, Sexuality, & Women’s Studies to substitute a course offered to meet the requirement by another department. Computing proficiency credits are not counted in the major's 32 hours or QPA, unless you are using GSWS 495/496 or GSWS 490 to fulfill the requirement.

• Students who are double majors may count no more than two courses as credit for both their primary and secondary major.
