NOTE: This event supports the William & Mary ROTC Military Science Department General Use Fund (0978). This fund helps cover expenses, such as but not limited to:

- officer commissioning ceremonies of Army cadets and Navy midshipmen,
- focused training, mentoring, and VIP engagements enhancing the preparation of ROTC students for military duty, and
- the military ball, which teaches ROTC students military traditions, etiquette, and protocol

To purchase a sponsorship, contact Mary Wheeler via military-science@wm.edu
