

### Financial Aid Application

**Due April 20**

**Please read and complete all items listed on this form.** Families wishing to request aid must submit all forms and supporting documents with the student's application packet. To request financial aid, families must submit:

- > Completed Financial Aid Application (both pages of this form)
- > Copies of their 2018 Tax Returns
- > Letter explaining your family's need for financial assistance

NIAHD's financial aid packages are limited and are only awarded to students with a demonstrated need. In an effort to help as many students as possible, we do not provide full scholarships.

NIAHD will not begin reviewing requests for financial aid until April 1. Requests will be reviewed in the order in which they were received. Decisions regarding financial aid are communicated to the students via email at the same time as their admission's decision.
