Financial Assistance Application

Please read and complete all items listed on this form. Families wishing to request assistance should submit all forms and supporting documents as soon as possible. To request financial assistance, please submit:

- ☐ Completed Financial Assistance Application (all pages of this packet)
- ☐ Copies of your family's 2024 Tax Returns
- ☐ Personal statement explaining your request for financial assistance from NIAHD

NIAHD's financial assistance packages are limited and are only awarded to students with a demonstrated need. To help as many students attend the Pre-College Program as possible, we do not provide full assistance packages.

NIAHD will review individual requests for financial assistance once all items from the student's Program Application **and** the Financial Assistance Application are completed and received.

Requests will be reviewed in the order in which they were received and decisions regarding financial assistance are communicated to the students via email at the same time as their admission's decision.
