Declined Envelopes by Advisor or Dean’s Office

- If the student does not fill out the forms in the envelope correctly, the Dean’s Office will need to decline the completion of the envelope (Advisor or Dean’s Office cannot make changes or corrections to the envelope).
- Everyone in the routing will receive an email notification. Please click on the Review Documents link in the email.
- To view the decline reason, select “OTHER ACTIONS”, click “View History” and scroll to the action marked “Declined”

- Declining the envelope also voids the envelope, therefore a new envelope will need to be created with the correct information.
