Change of Pre-major Advisor Form

The Office of Academic Advising endeavors to assign pre-major advisors to students based on interests provided in the Personal Information Questionnaire. Students and their pre-major advisors work together from orientation until the student declares a major.

If for some reason students need a new pre-major advisor (e.g., the faculty member goes on research leave), students can use this form to:

- Request that the Office of Academic Advising assign a new pre-major advisor
- Register a new pre-major advisor with the Office of Academic Advising

Note that changing the *major* advisor requires a separate form, available from the Registrar's Office.

Instructions

Return completed form to the Office of Academic Advising, advising@wm.edu.
