Revoke College Credits Earned before Matriculation Form

The Committee on Degrees will allow students to revoke college credits earned in high school (including AP, IB, and dual enrollment) or a previous college if the department/program believes that the preparation received was inadequate to succeed in subsequent coursework at William & Mary.

No petitions will be considered without department/program approval.

Students who have revoked credits for a course may not subsequently receive credit by examination for the course.

Note: Revoking credits might affect financial aid. Also, the revocation of credits renders a student ineligible to receive GI Bill benefits.

The decision to revoke credits is final.

Instructions

Return completed form to the Office of the Registrar, Blow Memorial Hall 240.
