

WILLIAM & MARY

Arts & Sciences

DEAN OF UNDERGRADUATE STUDIES

Academic Planner

Completing this planner will help you:

- Design a plan for your coursework.
- Explore majors and other fields of study.
- Discover resources at William & Mary that can help you attain your goals.

Creating your Academic Plan takes time, and we recommend that you discuss your plan with your faculty advisor. Your advisor should be your primary resource for information about William & Mary policies and requirements.

You don't need to know your major to start planning. Just select one possible major that interests you. As you discover more about yourself and the opportunities at William & Mary, you can revise and update your plan.

Resources

- [Choosing Your Major](#) A web page that can guide and inform your exploration.
- [DegreeWorks](#) An online tool to monitor progress toward degree completion.
- [Course Catalog](#) The official source for information about degree requirements, with detailed course descriptions.
- [Dynamic Schedule](#) Provides the most current information about courses being offered in *any* term. Use this resource to learn when the course is offered, pre-requisites, co-requisites, and detailed course descriptions.
- [Open Course List](#) Shows courses available in the *current* year.
- [Cohen Career Center](#) Information, formal assessment tools, and career advising to help you consider possible majors and career paths.
- [Occupational Outlook Handbook](#) A national resource that can help you learn more about planning for various careers.
