INTRODUCING THE NEW
BNC ADOPTION & INSIGHTS PORTAL
Faculty

Introducing the Adoption & Insights Portal (AIP)

AIP was developed by Barnes & Noble College to solve challenges faced by our higher education partners in the areas of discovering, selecting, and monitoring course material adoptions.

Powered by Banner, AIP delivers a highly personalized, streamlined, action-oriented user experience for faculty, staff, administrators, and academic leadership.

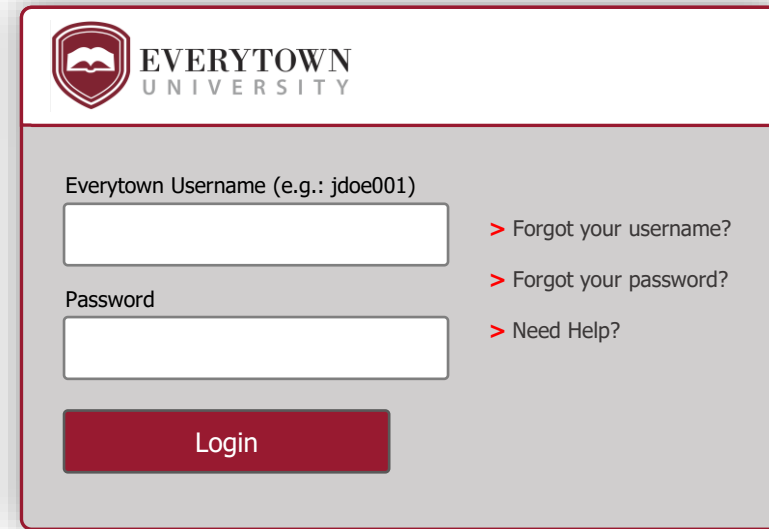

With AIP, faculty and staff can easily manage and submit course material adoptions each term.

Getting Started with AIP

How do I log in?

- The Adoption & Insights Portal lets you log in with your William & Mary credentials via a link to AIP in Blackboard
- You can also access AIP through the link in your Adoption Reminder emails
