DINE WITH THE **TRIBE**

Food Hall @ Sadler

Dining Guide

The Food Hall @ Sadler offers a convenient, diverse, and flavorful dining experience featuring **The Halal Shack, Giacomino's Italian Deli, Vivi's Mexican Cuisine**, and a rotating lineup of local restaurant partners through **Revolve**.

Peanut & Tree Nut Allergy

All three staple concepts do not use peanuts or tree nuts in their menu items.

Gluten, Celiac, & Wheat Allergy

The Halal Shack offers a signature Gluten-Free Bowl along with customizable rice bowls and salads featuring ingredients such as basmati rice, beans, proteins, falafel, vegetables, and hummus. Please note that naan bread, pita bread, and gyro beef contain gluten. At Vivi's Mexican Cuisine, all tacos and burritos, including breakfast selections, can be prepared as a bowl. At Giacomino's Italian Deli, any sandwich can be enjoyed as a salad by omitting the bread.

Milk Allergy

At The Halal Shack, omit the mozzarella cheese and mint cucumber yogurt dip. At Vivi's Mexican Cuisine, request your entrée without cheese, sour cream, or chipotle crema. At Giacomino's Italian Deli, choose a signature or build-your-own salad without cheese. Please note that Giacomino's bread rolls contain milk.

Shellfish & Finfish Allergy

All three staple concepts do not use shellfish or finfish in their menu items.

Sesame Allergy

At The Halal Shack, guests avoiding sesame should omit the naan bread, traditional hummus, jalapeño hummus, and tahini. No menu items at Giacomino's Italian Deli contain sesame. More information regarding use of sesame at Vivi's Mexican Cuisine will be available soon.

Soy Allergy

At The Halal Shack, guests avoiding soy should omit the fries, naan bread, gyro beef, white sauce, and hot white sauce. At Giacomino's Italian Deli, please omit bread from your meal as it contains soy. More information regarding use of soy at Vivi's Mexican Cuisine will be available soon.

Egg Allergy

At The Halal Shack, guests avoiding eggs should omit white sauce and hot white sauce. At Giacomino's Italian Deli, please omit mayonnaise and bread from your meal as it contains egg. At Vivi's Mexican Cuisine, eggs are used in the Breakfast Burritos and Breakfast Tacos offered on the breakfast menu. Additionally, the Jalapeño Aioli served on the lunch and dinner menu contains eggs.

Plant-Based Dining

Enjoy The Halal Shack's signature vegan and vegetarian bowls featuring plant-based proteins such as falafel, beans, and hummus. Additional options include Vivi's Mexican Cuisine's signature plant-based burritos and bowls, as well as Giacomino's Italian Market, which offers a selection of plant-based heroes and salads. For those seeking a fully vegan meal, please omit the bread roll at Giacomino's Italian Market as it contains milk and egg.

Halal

The Halal Shack serves Mediterranean and Middle Eastern cuisine, featuring customizable bowls, salads, wraps, tacos, and more. Guests can choose from a variety of halal proteins, including grilled chicken, gyro beef, BBQ chicken, falafel, and crispy chicken. All ingredients and meats are sourced and prepared in accordance with Islamic dietary guidelines. In addition, the peppered chicken served at Giacomino's Italian Deli is halal.

Please be aware that our retail partners work in an open kitchen setting. While we can accommodate requests to remove this allergen, we cannot guarantee that cross-contact will not occur. For specific questions or assistance, please speak with a team member or contact our Registered Dietitian at barbaro-grace@aramark.com.
