Ten Tips to Get it Done

1. Done is BETTER than PERFECT
2. Keep your system SIMPLE
3. Think about if you were not here what is most important to you for the ones that come behind you to know, START THERE
4. If you are overwhelmed start with your TOP 100 photo files
5. Everything that is important needs to be in ONE PLACE
6. It should be DIGITIZED
7. Do not over think it
8. When in doubt or overwhelmed keep in mind one simple thing will mean so much each thing beyond that is a BONUS
9. A project completed is COMPLETED- not like dishes or lawn
10. Listen and Learn and DO IT YOUR WAY!

Books I recommend to help you journal to your grandchildren

Faith Questions

What was faith/religion like in my childhood?

Who most influenced my belief system?

How did I come to know my Savior?

How did the Lord lead, protect and guide me through my dating experience?

Where does my spouse fit in to my faith journey?

How has my faith been impacted by my children?

How did I end up in the career I am in today?

What faith lessons have I learned through adversity?

How has music influenced my faith?

What scripture verses have been or are especially meaningful in my life? Why?

How has the Lord provided for my needs or answered a specific prayer in my life?

Write your own legacy... what would you want others to say about you?
