

Good Resources – MY TOP PICKS

BOOKS	Author	Title
A Simple Guide to Saving Your Family Photos	Mollie Bartelt, Co-founder of Pixologie	Pixology: the study of life through your photos. How to organize your printed photos once and for all.
Tell Your Story: How to Write for Your Grandchildren	Christopher B. Sanford	No one else can tell your story. A guide to help you do that because your story is too
To Our Children's Children - Preserving Family Histories for Generations to Come	Bob Greene and D.J. Fulford	Questions that guide you on how to talk about your life and your experiences so future generations will get to know you and where you came from.
To Our Children's Children - Journal of Family Memories	Bob Greene and D.J. Fulford	A place to write down your life experiences with questions to cue you as to what to write and space to do the writing.
Photo Organizing Made Easy - Going from Overwhelmed to Overjoyed	Cathi Nelson	Professional photo organizers share their eight doable steps to help you organize, maintain, and, most importantly
SCANNERS		
Epson V600 Flatbed Scanner		Scans photos and documents plus negatives, slides, medium format panoramic film and sells for a very reasonable price
Flip Pal Mobil Scanner		This is easy to transport and to scan on the go. It also has a great easy to use stitching software included for things that will not fit on a flatbed scanner.
PHOTO STORAGE		
Forever		Stores your photos in a permanent private that is guaranteed, and they keep your photos and videos in the current file format for printing or viewing as technology changes,

CLOUD BACK UP		
Carbonite		If you are going to use a DPH and 2 back-ups this will serve well as one of your back-ups of your Digital Photo Hub
