Thank You To All Our Volunteers

We Couldn't Do It Without You

The Osher Institute at W&M could not operate without its volunteers. Our talented instructors, dedicated Board, and enthusiastic committee members generously volunteer their time and skills to our vibrant institute, and we are thankful to all. But did you know that many of your fellow members volunteer to support the smooth operation of Osher at W&M in a number of other ways? Read on to see how, and to our wonderful teams of volunteers, we thank you very kindly for jobs well done!

Always Room for More!

While we are so grateful for the many volunteers we already have, we will always welcome more! There are opportunities for everyone to become more involved at Osher, for example: committee members, photographers, marketing assistance, class assistants, hosts, etc. Call us at 221-1506 and we'll find an area that interests you.
Spring Catalog Change

One-time Lecture: Publishing Options and Pointers, taught by Dawn Brotherton, has been moved to March 4, 9:30 a.m. to 11:30 a.m. in the Wightman Cup Room. To see updated changes, check the Announcement section on our website.

Important Dates

Spring Registration

Our course request period begins December 6. On December 14 the seat assignment (lottery) will notify you of courses in which you were enrolled. You will also receive waitlist notifications. Remember, however, registration never closes. Be sure to tell your friends about Osher!

New Instructors

We are excited to welcome our new instructors for the Spring 2020 semester. We know you will bring a wealth of experience, knowledge, and skills to our classrooms. Our new instructor orientation will be held on January 3rd and we will be emailing more information soon.

AV and Host Training

If you have ever considered volunteering as a host or class assistant, but are concerned about the responsibilities, we offer host and a/v training during the 2nd week of January. Let us know you would like to attend to learn more about it.
Town and Gown Noontime Lectures

Our Town and Gown series offered engaging lectures this fall and our members learned about everything from post communism to what keeps our local government awake at night. They also enjoyed seasonal sounds from the Botetourt Chamber Singers.

Be sure to register for the Spring series, which will include a wide variety of topics from ceramics to face to face diplomacy and will include a lecture from William and Mary's own provost, Peggy Agouris.

Office Closed for Winter Break

The Osher Staff wishes you a happy holiday season!
