The W&M Washington Center Announces
2021 DC Winter Seminars and Spring 2021 DC Semester Program
2021 DC Winter Seminar Topics:

Foreign Economic Policy

News & Media

Power, Politics and Persuasion

Urban Education

Spring 2021 DC Semester Program Courses:

DC: Past, Present and Future

- History of Washington, DC
- Addressing Environmental & Sustainability Challenges in DC & Beyond
- International Security & Development
- Built Environment: The Architecture of Transportation

How YOU Can Get Involved:

Suggest Speakers and Site Visits
Each professor will be looking for speakers and site visits for their respective courses this winter and spring.

Hire an Intern
Can you or someone you know use a bright, energetic W&M student for a nearly full time (four days per week) internship this spring? We are looking for internships in any sector. Organizations that are the best fits for interns are Metro accessible.

Become a Mentor to a Student for the Semester
Share your expertise and knowledge of working in our nation’s capital with our students!

Volunteer Now

If you have questions or if you would like to refer someone for these
opportunities, please contact:

Rhys Tucker, DC Semester Program Manager
