

Local Accommodations

While there are a tremendous number of hotels in the DC area, we have compiled a short list for you. We encourage you to visit the websites and determine which will best meet your needs. Of course, any travel site will help you to locate other options all over the city. No matter where you stay, we *strongly* recommend that you make your reservations as soon as possible, as hotels in DC are often full.

(The College of William and Mary makes no endorsement for any of the hotels listed.)
