Temporary Handicapped Parking Request Form
Dean of Students Office
College of William and Mary

This form is for use by physicians working with William and Mary students who are currently enrolled and experiencing mobility limitations which cannot otherwise be accommodated by the William and Mary transit service. Temporary permits are valid on campus only and are issued only when students have access to a personal or family vehicle. In general, temporary permits do not exceed ten business days. Documentation for handicapped parking permits cannot be accepted from a member of the student’s immediate family. The Dean of Students Office reserves the right to review all documentation and recommendations from outside experts to determine eligibility and to deny any permit request which seems insubstantially supported, excessive, or unnecessary.
