Facilities Management Team –

"I just wanted to take the opportunity to thank you and the other folks here who helped put the luncheon together for all of FM. I thought the atmosphere was fantastic and as for any food, it was unbelievable. The College has always been a great place to be employed and the gathering today was another example of why the people here, like yourself and the folks that helped, make this a great place, nice to come into. I looked around at all the people laughing and talking and I felt that

everyone there enjoyed themselves.”

- JW Buck
Contract Maintenance Supervisor
