RESOLUTION
Board of Visitors

February 3-4, 1994

COLLEGE OF WILLIAM AND MARY IN VIRGINIA
PRESERVATION AND PROTECTION OF MATOAKA LAKE AND WOODS

Whereas, the Board of Visitors declares its intention to preserve and protect Matoaka Lake and Woods; and

Whereas, the Board of Visitors believes that such protection can best be accomplished by restricting the use of the Lake and the Woods, consistent with the educational and recreational needs of the College; and

Whereas, the Matoaka Task Force, appointed by President Sullivan to study and make recommendations concerning Matoaka Lake and Woods, has recommended that the use of the Lake and the Woods be restricted. The Landscape, Energy and Environment Committee of the College endorses the conclusions and recommendations of the Matoaka Lake and Woods Task Force, as noted on the enclosed memorandum from Martin C. Mathes, Chair.

Therefore, the Board of Visitors declares as the sense of the Board that Matoaka Lake and Woods, as delineated on the enclosed map, be considered a natural preserve, to be used with all due care and consideration of the special characteristics of the area; and

Further, that use of Matoaka Lake and Woods be limited to those uses necessary to accomplish the mission of the College; and

Further, that the College make reasonable efforts to preserve and enhance the quality of Matoaka Lake and Woods; and

Further, that the President of the College take all reasonable steps to effect the purpose of this resolution, and report to the Board of Visitors, from time to time, on the status of Matoaka Lake and Woods.

In this event, the department, agency or institution formerly possessing or controlling such property shall have no further interest therein.

B. The Department shall establish criteria for ascertaining whether property under the control of a department, agency or institution should be classified as “surplus” to its current or proposed needs.

C. Notwithstanding the provisions of subsection A of this section, the property known as College Woods which includes Lake Manooka and is possessed and controlled by a college founded in 1693, regardless of whether such property has been declared surplus property pursuant to this section, shall not be transferred or disposed of without the approval of the board of visitors of such college by a two-thirds vote of all board members at a regularly scheduled board meeting.
