INDEPENDENT AUDITOR'S REPORT ON THE APPLICATION OF AGREED-UPON PROCEDURES

We have performed the procedures enumerated below, which were agreed to by the President of **The College of William and Mary**, solely to assist the College in evaluating whether the accompanying Schedule of Revenues and Expenses of Intercollegiate Athletics Programs of the College is in compliance with National Collegiate Athletic Association (NCAA) Constitution 3.2.4.16, for the year ended June 30, 2014. College management is responsible for the Schedule of Revenues and Expenses of Intercollegiate Athletics Programs and the Schedule's compliance with NCAA requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the College. Consequently, we make no representation regarding sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Agreed-Upon Procedures Related to the Schedule of Revenues and Expenses of Intercollegiate Athletics Programs

The procedures that we performed and our findings are as follows:

Internal Controls

1. We reviewed documentation of accounting systems and operating procedures. We reviewed the relationship of internal control over Intercollegiate Athletics Programs to internal control reviewed in connection with our audit of the College's financial

statements. In addition, we identified and reviewed those controls unique to Intercollegiate Athletics Programs, which were not reviewed in connection with our audit of the College's financial statements.

2. Intercollegiate Athletics Department management provided an organizational chart which we reviewed with appropriate personnel. We also made certain inquiries of management regarding control consciousness, the use of internal audit in the department, competence of personnel, and protection of records and equipment.
3. Intercollegiate Athletics Department management provided us with their procedures for gathering information on the nature and extent of affiliated and outside organizational activity for or on behalf of the Intercollegiate Athletics Programs.

Affiliated and Outside Organizations

4. Intercollegiate Athletics Department management identified all intercollegiate athletics-related affiliated and outside organizations and provided us with copies of audited financial statements for each such organization for the reporting period.
5. Intercollegiate Athletics Department management prepared and provided to us a summary of revenues and expenses for or on behalf of the intercollegiate athletics programs by affiliated and outside organizations included in the Schedule.
6. Intercollegiate Athletics Department management provided to us any additional reports regarding internal control matters identified during the audits of affiliated and outside organizations performed by independent public accountants. We were not made aware of any internal control findings.

Schedule of Revenues and Expenses of Intercollegiate Athletics Programs

7. Intercollegiate Athletics Department management provided to us the Schedule of Revenues and Expenses of Intercollegiate Athletics Programs (Schedule) for the year ended June 30, 2014, as prepared by the College and shown in this report. We recalculated the addition of the amounts in the Schedule, traced the amounts on the Schedule to management's worksheets, and agreed the amounts in management's worksheets to the Intercollegiate Athletics Department's accounts in the accounting records. We noted no differences between the amounts in the Intercollegiate Athletics Department's accounts in the accounting records and the amounts on the worksheets. We discussed the nature of work sheet adjustments with management and are satisfied that the adjustments are appropriate.
8. We applied certain analytical review techniques to the revenue and expense amounts reported in the Schedule in order to determine the reasonableness of amounts reported therein. These techniques included trend analyses and review of actual

amounts in comparison to budget estimates. We obtained and documented an understanding of significant variations.

Revenues

9. We performed a walkthrough of ticket sales operations to include cash handling, daily sales operations, and reconciliation of tickets sold to cash collected. This amount was deemed to be immaterial for detailed testing.
10. We compared student fees reported in the Schedule to amounts reported in the accounting records and amounts from the University's comprehensive fee allocated to intercollegiate athletics. We found these amounts to be materially in agreement.
11. Intercollegiate Athletics Department management provided us with a listing of game guarantee agreements for away games during the reporting period. This amount was deemed to be immaterial for detailed testing.
12. Intercollegiate Athletics Department management provided us with a listing of all contributions of moneys, goods or services received directly by the Intercollegiate Athletics Programs from any affiliated or outside organization, agency or group of individuals that constitutes ten percent or more of all contributions received during the reporting period. Except for contributions received from the Athletic Education Foundation of The College of William and Mary in Virginia, an affiliated organization, we noted no individual contribution which constituted more than ten percent of total contributions received for Intercollegiate Athletics Programs.
13. From the summary of revenues and expenses for or on behalf of the Intercollegiate Athletics Programs by affiliated and outside organizations, we selected individual contribution amounts and agreed each selection to supporting documentation and proper posting in the accounting records. We found all reviewed transactions to be in agreement.
14. We obtained amounts reported in the Schedule for direct institutional support and indirect facilities and administrative support. These amounts were deemed to be immaterial for detailed testing.
15. Intercollegiate Athletics Department management provided us with a listing and copies of all agreements related to participation in revenues from tournaments, conference distributions, and NCAA distributions. We gained an understanding of the terms of the agreements and agreed selected amounts to proper posting in the accounting records and supporting documentation.

16. We made inquiries of Intercollegiate Athletics Department management regarding participation in revenues from broadcast, television, radio, and internet rights. This amount was deemed to be immaterial for detailed testing.
17. We made inquiries of Intercollegiate Athletics Department management regarding agreements related to participation in revenues from royalties, advertisements, and sponsorships. This amount was deemed to be immaterial for detailed testing.
18. We obtained an understanding of the College's methodology for recording revenues from sport camps. This amount was deemed to be immaterial for detailed testing.
19. We made inquiries regarding endowment agreements to gain an understanding of the relevant terms and conditions of the agreement. We compared the use and classification of endowment and investment income to supporting documentation.

Expenses

20. Intercollegiate Athletics Department management provided us a listing of institutional student aid recipients during the reporting period. We selected individual student-athletes across all sports and agreed amounts from the listing to their award letter. We also ensured that the total aid amount for each sport materially agreed to amounts reported as Financial Aid in the student accounting system.
21. Intercollegiate Athletics Department management provided us with settlement reports and game guarantee agreements for home games during the reporting period. This amount was deemed to be immaterial for detailed testing.
22. Intercollegiate Athletics Department management provided us with a listing of coaches, support staff, and administrative personnel employed and paid by the College during the reporting period. We selected and tested individuals and compared amounts paid during the fiscal year from the payroll accounting system to their contract or other employment agreement document. We found that recorded expenses equaled amounts paid as salary and bonuses and were in agreement with approved contracts or other documentation.
23. We discussed the Intercollegiate Athletics Department's recruiting expense and team travel policies with Intercollegiate Athletics Department management and documented an understanding of those policies. We compared these policies to existing College and NCAA policies and noted substantial agreement of those policies.
24. We obtained an understanding of the College's methodology for allocating indirect facilities support and ensured that amounts reported on the Schedule agreed to amounts recorded in the accounting records.

25. Based on disbursements as listed in the accounting records, we selected and tested payments to third parties by the Intercollegiate Athletics Programs. These disbursements were for the various activities listed within the Schedule. We compared and agreed the selected operating expenses to adequate supporting documentation. We found all reviewed amounts to be properly approved, in agreement with supporting documentation, and properly recorded in the accounting records.

We were not engaged to, and did not, conduct an examination, the objective of which would be the expression on an opinion on the Schedule of Revenues and Expenses of Intercollegiate Athletics Programs or any of the accounts or items referred to above. Accordingly, we do not express such an opinion. Had we performed additional procedures or had we conducted an audit of any financial statements of the Intercollegiate Athletics Department of the College of William and Mary in accordance with generally accepted auditing standards, other matters might have come to our attention that would have been reported to the College. This report relates only to the accounts and items specified above and does not extend to the financial statements of the College of William and Mary or its Intercollegiate Athletics Department taken as a whole.

This report is intended solely for the information and use of the President and the College and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

THE COLLEGE OF WILLIAM AND MARY
NOTES TO SCHEDULE OF REVENUES AND EXPENSES OF
INTERCOLLEGIATE ATHLETICS PROGRAMS
AS OF JUNE 30, 2014

1. BASIS OF PRESENTATION

The accompanying Schedule of Revenues and Expenses of Intercollegiate Athletics Programs has been prepared on the accrual basis of accounting. The purpose of the schedule is to present a summary of revenues and expenses of the Intercollegiate Athletics Programs of the College for the year ended June 30, 2014, and includes both those intercollegiate athletics revenues and expenses under the direct accounting control of the College and those on behalf of the College's Intercollegiate Athletics Programs by outside organizations not under the College's control. Because the Schedule presents only a selected portion of the College's activities, it is not intended to, and does not present the financial position, changes in financial position, or cash flows for the year ended June 30, 2014. Revenues and expenses directly identifiable with each category of sport are presented and reported accordingly. Revenues and expenses not directly identifiable to a specific sport are reported under the category "Non-Program Specific."

2. CONTRIBUTIONS

The Athletic Educational Foundation (AEF) of the College of William and Mary in Virginia, Incorporated, also referred to as the Tribe Club, raises funds and collects contributions for the benefit of the Intercollegiate Athletics Department. The College received \$3,576,746 from the AEF during the year ended June 30, 2014.

The AEF receives directly from various individuals and businesses donations in the form of goods or services for the athletic program. The College received \$1,141,363 from individuals and businesses in donations during the year ended June 30, 2014, including \$530,745 through the College of William and Mary Foundation for capital improvements to Zable Stadium which serves the Football and Men's and Women's Track programs.

3. ENDOWMENT AND INVESTMENT INCOME

The College of William and Mary Foundation is authorized to receive and administer gifts and bequests of all kinds. The Foundation makes such resources available to the College, which may be drawn as needed by the College within the Foundation's budgetary restrictions. The College received \$1,916,110 of endowment and investment income from the Foundation for the benefit of the Intercollegiate Athletics Department for the year ended June 30, 2014.

4. CAPITAL ASSETS

Capital assets are recorded at historical cost at the date of acquisition or fair market value at the date of donation in the case of gifts. Construction expenses for capital assets and improvements are capitalized when expended. The College's capitalization policy on equipment includes all items with an estimated useful life of two years or more. The William and Mary campus capitalizes all items with a unit price greater than or equal to \$5,000.

Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets as follows:

Buildings	40-50 years
Improvements other than Buildings	10-50 years
Infrastructure	10-50 years
Equipment	2-30 years
