Please describe your payment plans, if provided:

Members apply to be on a payment plan, as only 10% of the chapter can be on it at a time. The plan breaks down active dues into 3 separate installments over the 3 months following when dues would normally be collected, instead of a single up-front payment, which may help ease financial stress. For new members, the payment plan will be split into these installments: \$189 due 10/15; \$195 due 11/15, and \$195 due 12/15. For new members in the spring semester, the payment plan will be split similarly: \$189 due 3/15, \$195 due 4/15, and \$195 due 5/15.

Please describe scholarship options for new and current members, if provided:

The Kappa Alpha Theta Foundation provides scholarship opportunities every March. Applications come out February 1st, are due at the end of the month, and must be put towards academic expenses for the following school year, such as tuition or course-related fees. Notifications come out in early May, with specific award amounts announced at the end of June. However, it cannot be put towards Theta membership dues. Our chapter, Beta Lambda, does not offer a specific scholarship.

Sorority residency requirements:

All 14 spots must be filled. Spots are filled on a volunteer basis in the following order: Senior Chapter Officers, Seniors, Junior Chapter Officers, Juniors, Sophomore Chapter Officers, Sophomores. If any spots remain open after volunteers are requested, members will be randomly selected in the reverse order (sophomores --> senior officers) until the house is full.

All Sorority Housing is owned and operated by Residence Life. The per-term cost includes room, deposit, wireless internet, and air conditioning. Housing costs for the 2026-2027 academic year are set by Residence Life. Sorority housing is billed at the standard double room rate, which can be found on the William & Mary Residence Life website

What fees may a member encounter that are separate from dues and fees billed by your chapter?

Our chapter uses a 'points system' to replace the previous fine system, so no member will be issued a fine for an unexcused absence from a mandatory event (i.e., chapter meeting). No chapter-sponsored events will have an additional fee.

Members may choose to purchase optional merchandise, but these orders are not mandatory and infrequent (once per semester). The usual price per item is \$25-50. All required merchandise, such as recruitment and philanthropy shirts, is covered by the chapter.

Theta provides members with a stipend for Clue Week when taking a little - \$100 per new big is provided for the week. Any spending over that amount is optional and up to the individual member. Our payment service, BillHighway, charges a 5% late fee on any payment over 3 days past due.
