NON-DEGREE SEEKING APPLICATION FORM

Non-Degree Seeking Status at the College is limited to the following circumstances:

1. Status is granted for one semester only; a new application must be filed for each term.
2. In fall and spring, non-degree seeking admission is available ONLY in one of the following circumstances:
 - a. Post-baccalaureate (requires proof of graduation and approval from the graduate program if graduate-level coursework is desired). USE THE FORM BELOW.
 - b. Visiting (one semester for a specified purpose by a student who is degree-seeking at another 4-year institution, either in the U.S. or abroad, with clear intent to return). One semester limit, except for certain exchange agreements. Visiting students are expected to enroll full-time (12 or more credit hours for undergraduates) unless part-time specific goals are approved in the application process and supported by the student's home institution. Visiting students must also include a letter of permission from their home institution (from the Registrar's Office or Academic Advisor) and a personal letter stating the reason for seeking visiting student status. USE THE FORM BELOW.
 - Visiting student status is not appropriate for recent applicants to the College who were denied admission
 - c. Special categories of applicants will need to submit additional paperwork (e.g., Senior Citizens, Auditors, Faculty Spouses, etc.); refer to www.wm.edu/registrar for more information and additional forms.
3. In summer only, the college may also enroll non-baccalaureate degree-holders for coursework below full-time status, without the formality of "visiting" status. USE THE FORM BELOW.
4. Registration for classes occurs after degree-seeking students have established their schedules, generally on the first day of the term.
5. Concurrently-enrolled high school students - **DO NOT USE THIS FORM**. This program requires recommendation from high school counselors, review of academic preparation, and approval by Undergraduate Admission. Complete the [NDS Application for Concurrent Students](#).
