CHARTERED 1693

## TRANSFER PATHWAYS TO WILLIAM & MARY (2017-2018) RICHARD BLAND COLLEGE (RBC)

William & Mary (W&M) welcomes applications from Richard Bland College (RBC) students. W&M encourages students to participate in the Guaranteed Admission Agreement (GAA) that W&M has established with RBC. RBC students who complete a transfer-oriented Associates degree, with a minimum GPA of 3.25, and have earned a minimum of 45 credit hours of the total required for the transfer-oriented associate degree following graduation from high school, are guaranteed general admission to W&M.

Admission into the Mason School of Business at W&M is **NOT** guaranteed by the GAA.

More information about our transfer agreements, including the Guaranteed Admission Agreement, is located at: [http://www.wm.edu/admission/undergraduateadmission/how-to-apply/transfers/rbc\\_students/guaranteed\\_admission/index.php](http://www.wm.edu/admission/undergraduateadmission/how-to-apply/transfers/rbc_students/guaranteed_admission/index.php)

By carefully selecting an appropriate degree program at RBC and completing certain required courses for that degree program, students can fulfill the introductory-level requirements of the first one or two years for most baccalaureate degree programs at W&M.

The following pages provide specific course recommendations for students enrolled in those degree programs that correspond to the RBC curricular requirements for those degrees. Students should **always** select courses after consulting with their learning mentor at RBC. It is recommended for *all* transfer students to complete the requirements for W&M's foreign language proficiency. The foreign language proficiency may be met through four years of a language in high school, or completion of a college language course at the 202 level.
