## Fraternity & Sorority Housing Check-Out

All residence halls will close at **10AM on Monday, May 15**, the Monday immediately following Commencement. You must check out of your residence hall space no later than 48 hours after your final exam. Exceptions will be made for graduating residents or for non-graduating students who are participating in Commencement as an usher, choir member, etc. or in some other official commencement activity, an intercollegiate athletic team obligation, or an academic requirement. If you are involved in any of the above activities, you must be listed on rosters submitted to Residence Life by the administrator or faculty member coordinating your activity. These rosters must be received in Residence Life by the last day of classes (4/28), and it is your responsibility to confirm that you are on the group's list.

**If you are a non-graduating resident NOT participating in an APPROVED activity, you are expected to check out no later than 48 hours after completing your last regularly scheduled exam.** If extenuating circumstances prevent you from meeting this deadline, you must submit a written request to the Assistant Director for Fraternity and Sorority Housing for approval to remain in your room. These written requests must be received by the ADFSH the by first Wednesday of finals 5/3. *If approved, you will be charged (in advance) \$30.00 for each day that you stay in your room after the 48 hour period.* Your request will be approved or denied as quickly as possible. Any approval to stay late will be billed to your student account.

To insure a smooth check out, please be sure to follow instructions listed here. Also be on the lookout for additional details. There is a key envelope and drop box available at the area/building duty office. Once your keys have been returned, a Residence Life staff member will inspect your room and apartment to determine if there are any damages or cleaning issues in the room to be billed. The AD will not inspect the room until it is completely empty.

Checking out 5000 students in a short time is a major task and requires our working together to make it as smooth and fair as possible.

## Parking

Remember that driving and parking on grass, dirt, sidewalks, and any unpaved area is prohibited and may result in your vehicle receiving a parking ticket. If someone is driving a vehicle to campus to move you out, please be sure that the driver understands exactly where parking is permitted. In coordination with Parking Services, W&M Police, and Facilities Management, special loading zones will be set up throughout campus during the move-out period. Watch for further details on the Residence Life website or ask the Residence Life staff in your building about these times and locations.

**Only CHAPTER PROPERTY may be stored in your facility.** Any personal property left in the fraternity or sorority houses or sheds are considered
